PROGRAM FINANCIAL ASSISTANCE INFORMATION & APPLICATION

Dear Applicant(s):

Thank you for your interest in participating in programs at the Butte Family YMCA! It is a practice of Ys across the country to provide financial assistance so everyone can be involved in the Y. The Butte Family YMCA has made an extraordinary promise to our community: no one is turned away due to an inability to pay. In order to keep our promise, the Butte Family YMCA is proud to offer **Program Financial Assistance** to those who qualify. Through the development of Program Financial Assistance, many more people are able to enjoy the benefits of programs at the Butte Family YMCA.

Program Financial Assistance at the Butte Family YMCA was created to assist children, adults and families in becoming active in by participating in our programs. Applicants who qualify for Program Financial Assistance receive financial assistance for a period of 12-months for all Y programs they chose to be involved in. In order to assist us in determining if you and/or your family meets the guidelines for Program Financial Assistance, please complete the attached application form found on pages 3 and 4. On page 2 of this packet is a list of the specific information that must be included with your application in order for us to determine eligibility for financial assistance. Applications for Program Financial Assistance are processed on a weekly basis. You will be notified once your application has been approved. Approved applications are kept on file for 30 days (after 30 days applications will be destroyed). Please note: we reserve the right to deny financial assistances based on insufficient/incomplete applications and/or based on sufficient subsidy/income.

At the Butte Family YMCA, we encourage all community members to become active participants within our programs, as well through volunteer opportunities. As a means for you to be part of the Y and help in saying thank you for the many individuals who have donated funds to make Program Financial Assistance possible, we ask that you consider volunteering at the Y. Volunteer applications are available at the Welcome Center.

Again, thank you for your interest in the Butte Family YMCA. If you have questions or if we may be of assistance, please contact us via telephone or in person.

Sincerely,

Butte Family YMCA Program Directors
